JACK

IS BACK

Nicklaus Design, the global golf course design firm founded by golf legend Jack Nicklaus, is widely regarded as the world's leading design firm. Mr. Nicklaus and his design team have been credited for elevating and enhancing the relationship between golf and luxury home communities. That notion, the relationship between real estate and golf along with a host of other benefits remain at the heart the proposed enhancements that are planned by the Nicklaus group for Renegade. On his visit to tour the course and develop plans in November, Mr. Nicklaus mapped out his strategy, keeping his focus on member enjoyment and playability, while also providing opportunities to potentially increase home values.

TOP 3 THINGS YOU NEED TO KNOW

1. No assessment - members will not be assessed to complete the work associated with the enhancements at Renegade. The board-approved budget for these enhancements will be funded largely with proceeds from the sale of Parcel 19 and cash on hand.
2. The addition of cool season turf will add 40-45 days of member play each year with no brown grass, no over-seeding and no awkward transition periods.
3. The replacement of the 31-year-old irrigation system, bunkers and greens will save our precious water resources and will reduce our annual expense by \$500K.

Voting on this project will begin February 1 and will end February 15.

BREAKING NEWS! Jack is BACK! We are proud to report we have booked a visit from Mr. Jack Nicklaus who will be joining us for a Meet and Greet on January 27!

Shawn Emerson, AZ Hall of Fame and...Radio Star?

Congratulations to our 25-year Desert Mountain veteran Shawn Emerson, who was recently inducted in the Arizona Golf Hall of Fame. Not many people in the golf world receive this honor and we are very lucky to have his expertise! As a follow up to his award, our local National Public Radio station, KJZZ did come up to the Club to interview him for a segment called Sounds of the City. The audio story, told in Shawn's words tells the story, through sound effects, how Shawn and his incredible team manages to take care of 6 golf courses simultaneously.

Congratulations Shawn!

GOVERNANCE REPORT

VISION STATEMENT:

Desert Mountain Club's Goal is to be one of the finest private golf and recreational communities in North America.

MISSION STATEMENT:

The Desert Mountain Club is dedicated to providing its members, their families and guests with a commitment to excellence resulting in member pride and a distinguished reputation.

STRATEGIC PLAN AT DESERT MOUNTAIN CLUB

As we begin the New Year, it is with great pleasure that we present our members with the Club's strategic plan which has been drafted, detailed, presented and approved in collaboration with our board members, committee members and Club leadership. While we have much to celebrate with the addition of more walking and play options for our golfers and guests, 6 new pickleball courts, golf croquet and bocce amenities, improved communication, membership sales momentum and accounting-driven financing programs, we are deeply dedicated to creating exceptional experiences for our members.

All goals within our 5-year strategic plan are in place to enhance our members' values and experiences at our special Club.

2017-2021 AND BEYOND: WHAT DOES SUCCESS LOOK LIKE?

KEY COMPONENTS FOR OUR FUTURE SUCCESS

- Achieve 90% or greater membership satisfaction in all areas
- Grow our membership to 2,050 Equity Golf members by 2021 and ensure the value of a DM membership is commensurate with other high-end clubs

- Deliver outstanding services and exceptional value with a competitive membership dues structure that is sufficient to fund operations and capital spending, while achieving our vision statement
- Provide exceptional golf, lifestyle and food service amenities and programming that is consistently relevant and rated exceptional
- Increase the number of DM real estate owners to Club members
- Foster a trust-based relationship that contributes to a positive Club culture 2017-2021

GOAL ONE:

Grow memberships to targeted levels of 2,050 Equity Golf Members and enhance membership values.

GOAL TWO:

Manage Club finances to support current and long-term financial sustainability, enabling DM to offer a compelling value proposition.

GOAL THREE:

Fulfill the DM Brand promise as one of the finest golf, lifestyle and real estate communities in North America, achieving an overall member satisfaction rating of 90%.

To learn more about specific strategies that we will activate to reach these goals, please visit the club communications section of our member website.

Questions Asked and Answered:

As we have welcomed 284 new members to our Club in the past 2 years, one of the questions we like to address with full transparency is how members can exit the Club.

Answered

There are many ways members can exit the Club and the process can happen quickly, as it did for 5 members who listed and sold their memberships within 30 days on the MRP in December.

December 2017 ended with only 19 memberships listed on the MRP, which is the lowest this number has been since December 2016. However, should the day come to transfer your membership, there are 4 programs available for your convenience. They include our Membership Resale Program or MRP, Transfer to a subsequent purchaser of a Desert Mountain property, and Member arranged transfer or Legacy Transfer. For details on this and all membership programs, please contact us at membership@desertmountain.com

GUEST PASSPORT PROGRAM

WHAT IS A GOLF GUEST PASSPORT?

It's our new, no fuss program that allows you to save when you are hosting guests for golf on the day and time most convenient to you.

HOW DOES IT WORK?

Golf Guest Passports can be purchased in increments of six (6) or twelve (12) total per family in a calendar year. This is an incredible opportunity for our members, as twelve (12) golf guest passes for \$1,500 would normally cost \$2,400 with the cart, a savings of \$900. The cost for six (6) golf guest passes is \$750, at a savings of \$450. Members may purchase a maximum of twelve (12) golf guest passes per family. This price includes the golf cart fee for the guest. These rounds will be placed on the member's Golf Guest Passport account and can be seamlessly redeemed right at the point of sale at check-in time at any of the golf shops.

These rounds are only good from January 1 – December 31 each year. This opportunity will be offered immediately and will not be offered after January 31, 2018.

The pass is for one per household and can be used by either spouse. Our members' guests would have no idea that the host paid a reduced golf guest fee. Once purchased, the passes are nonrefundable and nontransferable and expire on December 31, 2018.

PRE-BUY YOUR 2018 GOLF GUEST PASSPORTS TODAY!

GOLFERS' DNA

Before we touch on a golfers DNA, I'd like to remind us of exactly what it is we're all trying to achieve when swinging a golf club. The sole purpose of swinging a golf club is to achieve the CORRECT IMPACT. How we achieve this is of no consequence as long as it's repetitive. Next time you're watching our great players of today recognize that no two address positions or swings are exactly alike.

New golfers, experienced golfers and everyone in between have tendencies (DNA) that make their swing unique. We all are consistent in our inconsistencies. The same tendencies to a greater or lesser degree and using different clubs (loft) may make it seem as if we make many different mistakes however, we do not. When a player, whatever their skill set is, understands their tendencies/pattern and how to correct these tendencies on a new day, they will start down the path of "consistency" we all desire. This understanding simplifies the great game of golf by knowing we're constantly working on the same set of tendencies on a new day! If you're looking to better understand your tendencies, please visit the **Jim Flick Golf Performance Center**. Enjoy your golf!

WELCOME TO THE 2018 GOLF SEASON

The Desert Mountain Agronomy Team is looking forward to member/guest play in the year 2018. The golf courses have been successfully overseeded and the playability and aesthetics are exceptional.

RENEGADE — has established ryegrass after spraying out bermudagrass this past summer in preparation for

the potential renovation project and regressing.

APACHE — overseeded wall-to-wall except for the bunker faces which were newly sodded in late summer during the bunker renovation project.

COCHISE — was not overseeded this year after consecutive years of hosting the Schwab Cup Tournament. Winter weed control programs will be implemented to control Poa annua and volunteer ryegrass.

GERONIMO — is overseeded wall-to-wall and conditions are excellent following last year's winter weed control.

CHIRICAHUA and OUTLAW — are partially overseeded this year with ryegrass fairways, surrounds and tees and dormant bermudagrass rough. Outlaw will be the dormant course in the fall of 2018 to ensure we have optimal conditions for the summer season of 2019.

Not just another Driver

Golf is a game of advancement. The new F8 Driver has the technology for players to perform their best.

With a first of its kind, the F8 driver has a CNC (computer machine controlled) precision milled forged Titanium face technology that is thinner, hotter and more precise. The new F8 Driver as well as the entire line of F8 fairways, hybrids and irons will be available January 18 at the Jim Flick Golf Performance Center.

THE COBRA F8 DRIVER

"Success depends almost entirely on how effectively you learn to manage the game's two ultimate adversaries: the course and yourself."

JACK NICKLAUS

SM 7 Vokey Wedges

The new Vokey SM 7 wedges are coming to the Jim Flick Golf Performance Center March 23. The new wedges fly lower, roll out half the distance and can spin up to 2,000 RPM more than a wedge played for 125+ rounds.

THE EFFECTS OF GROOVE WEAR ON PERFORMANCE?

We tested wedges played for 125 rounds, 75 rounds, and a new wedge with fresh grooves.

- 125 Rounds: 35° launch angle | 6,500 RPM Spin | 24' of roll out
- 75 Rounds: 34° launch angle | 7,400 RPM Spin | 18' of roll out
- Fresh Grooves: 33° launch angle | 8,500 RPM Spin | 10' of roll out

The Jim Flick Golf Performance Center is offering a **WedgeWorks Clinic** March 7. During this two-hour session, you'll be custom fit, receive (pre-order) two new Vokey wedges, and enjoy instruction on how to correctly use your wedges.

"We design the best product possible and take it to the tour. If the tour players accept it, then we say this must be awfully good." - Bob Vokey

MATT WOOLDRIDGE
DIRECTOR OF TENNIS,
FITNESS AND SPA

The world is going green and Sonoran is following suit. As of April 1, we will be helping with our green initiative and will no longer provide complimentary bottled water at Sonoran. Café Verde will have bottled water for purchase if desired. Take advantage of our state-of-the-art water purification systems and help us protect our environment.

WELCOME JIM FRANKLIN

We are pleased to announce the arrival of Desert Mountain's new Fitness and Wellness Manager, Jim Franklin! Jim brings his diverse business operations background to the Club as a leader of teams with a specific emphasis in fitness and wellness programming and development. Customer relations is at the core of Jim's success, and he will be drawing from his experience at leading edge fitness clubs including The Village at DC Ranch, The Sports Club at Arrowhead Country Club and Colorado Athletic Club.

AS A REMINDER...

Bocce ball reservations are made through Café Verde.

No smoking is permitted at all indoor/outdoor areas at Sonoran.

Dogs are not permitted in clubhouses. The exception are those owners with official service dogs.

Sonoran "Check-in with Management"

Begins January 23, 2018

Every second and fourth Tuesday at 7:30 a.m., a Sonoran Manager will be at Café Verde to answer questions or to just have a cup of coffee. Space is limited to 5 members.

Register on the website to reserve your seat.

Tennis and Pickleball Tournaments are on the April Calendar

We will be having fun with an all gender format. Sign ups will be with teams and we will have a minimum of two flights.

Finals will be played on Sundays. Save the Dates:

TENNIS: April 7-9. All play will be in the afternoons

PICKLEBALL: April 13-15. Play may be throughout the day depending on the number of entries. More information to follow.

TENNIS SURVEY RESULTS!

We wanted to thank all those who participated and gave thoughtful feedback to make the program even more successful. Thank you for the compliments on the facilities and the teaching staff as a whole. We are very lucky to have the agronomy team and the professionalism of the teaching staff. We were delighted to learn nearly half of our respondents (46%) play multiple times per week and 27% do not play, but were interested in being introduced to the game. Great news as we have multiple clinics and lesson opportunities! **THIS JUST IN...** we are going to have an all gender doubles tournament. Stay tuned to learn more and visit the member website for the most up-to-date information. We look forward to a robust 2018!

GOLF CROQUET NEWS

The “Mountain Mallets,” our own golf croquet club here in Desert Mountain, is settling nicely into the beautiful courts venue at Sonoran. The perfectly lasered flat grass fields are pristine for golf croquet enthusiasts, with the grass surface expected to settle into a beautifully level surface with incredible shooting speeds. Croquet, especially golf croquet, is an extremely social sport. Mountain Mallets members enjoy playing this sport in large groups and our two fields can accommodate up to sixteen people playing at one time.

Golf Croquet Tournaments Are Coming!

Beginning February 18, join us for our very first all gender golf croquet tournament. We will facilitate a format that allows members to arrange match play times each week with a championship tournament to occur March 31. Compliments of our own Mountain Mallets, join us every Friday for wine and cheese at 3 p.m.

WEEK ONE & FOUR

March 12-15
& April 3-6

Campers will compete for prizes during our Junior Olympic Camp themed weeks. Desert Mountain professionals from our tennis, pickleball and golf departments will offer lessons in their areas of expertise! Which country will you represent?

WEEK TWO

March 19-22

We'll celebrate our Wild West camp week with a trip up to The Ranch, nature hikes into the Sonoran Desert, enjoy a wildlife presentation, s'mores making and more! The Scottsdale Fire Fighters will also visit to teach us how to be safe while enjoying the Wild West and we might also get wet while spraying the fire hose!

WEEK THREE

March 26-29

Will be all about Springtime Fun and Games! We'll slip down our giant slip-n-slide, bounce and splash into the inflatable waterslide, plant some springtime flowers, create beautiful "plein air" style paintings and a face painter and magician will visit us for our Spring Time Party at the end of the week!

WEEK FIVE

April 9-12

We'll enjoy all the Sonoran Desert has to offer in the Great Outdoors! We'll picnic lunch each day at the playground, participate in playground games including soccer, flag football, badminton and golf croquet! A ranger will visit to share his knowledge about outdoor survival skills. Don't miss it!

WHO ARE THE DESPERADOS TRAIL SCOUTS?

The Desperados Trail Scouts are a renegade group of volunteers, associated with the Desert Mountain Community Foundation, who love the outdoors, enjoy the company of like-minded compatriots, and are vigilant about protecting, promoting and enhancing Desert Mountain's outdoor recreation experience. The Tonto Skyline, the mountains and peaks that loom behind our Desert Mountain homes, is the critical interface where civilization and wilderness meet. Working closely with the Desert Mountain Club and Recreation Manager Mary Brems, the Desperados Trail Scouts consider themselves vital stakeholders in Desert Mountain's northern properties inside the gate and the surrounding Tonto National Forest environment beyond the gate. Desperados Trail Scouts foster open space preservation, desert wildlife habitat restoration, and regional outdoor recreation within the greater Tonto Skyline environment.

For more information about joining the Desperados Trail Scouts, please email Troy Gillenwater, paleostone@aol.com or Mary Brems, mbrems@desertmt.com

HORSEBACK RIDING AT THE RANCH WITH PFC EQUINE

The Ranch is off to a fabulous start for the winter season. A big thank you to all who have participated in the activities! We have had many fun and exciting adventures. Expect some changes in the new year as we plan to add some services based on member feedback. We are adding a Friday evening sunset ride. It is about an hour round trip ride to a peak where sunset views are spectacular. We also have plans to introduce some special events with guest speakers, spring break kids' activities and we hope to finish the winter season with a family fun day. Please come by any time to say "hi" and meet the horses up on the hill. Visit the member website for details on rides and pricing or contact Member Services. Happy trails in the New Year.

Next Generation at Desert Mountain

Members Margie and Kevin Bierl welcomed their first grandchild Brooks Bierl on September 28, 2017. Congratulations to Brooks and his mother and father, Sara and Austen Bierl. Hopefully in the near future Brooks will surpass his father's handicap, who is a frequent at Desert Mountain Courses.

The remodel and expansion of Desert Mountain's Sonoran Clubhouse was honored with an **Award of Merit** for the **2017 Gold Nugget Awards** held in California in August. The Gold Nugget Awards recognizes those who improve our communities through exceptional concepts in design, planning and development. Congratulations to our own Director of Facilities and Construction Todd Bruen, and to our partners at Kitchell Corporation, PHX Architecture, Est Est Inc. and Collaborative V.

Desert Mountain Member Stars in The Amazing Race!

Our very own Kristi Leskinen, a Desert Mountain member, has her running shoes on and is a star on the show *The Amazing Race* on CBS! The show airs on Wednesday nights at 7 p.m. on CBS. Be sure to follow her along! Run Kristi, run!

DM STAFF

THE DM WAY OF LIFE – HAVE SOME!

Our employees celebrate a special culture of family serving family. With a mission to make Desert Mountain one of the finest private residential and lifestyle communities in the world, and core values that celebrate integrity, teamwork, a spirit to serve, financial responsibility, innovation and fun! We practice and celebrate these values through a series of employee events every month.

Congratulations to our October Peak Performers. We recognized individuals from Fitness, Housekeeping, Food & Beverage, HR and IT.

“Welcome Aboard Graduates” – Desert Mountain welcomes 21 new employees to the family to kick off the 2017/2018 season.

Blood Drive – Jennifer Tucker, PC Golf Instructor, is a hero at Desert Mountain's bi-annual blood drive.

Members of our facilities and maintenance teams rockin' their ugly sweaters for the holidays!

Helping Houston – Donated items to help club employees devastated by Hurricane Harvey in Houston.

DESERT MOUNTAIN COMMUNITY FOUNDATION

Raises \$80,000 for employee scholarships at EXPO V

EXPO V, held on October 25, 2017 welcomed members, scholars and sponsors to a fun evening of cocktails, food and many chances to win prizes at Cochise/Geronimo. Our amazing Sponsors contributed \$57,000 of the \$80,000 raised with levels of \$10,000, \$3,500, \$2,000 and \$1,500. We welcomed 9 new vendors and 22 returning vendors. Thank you for supporting our sponsors from the EXPO program. Visit DMCF on the member website to learn more about them.

Sponsors had giveaways and drawings to attract members to their tables. A drawing was held for the member who visited 15 vendors and turned in their report card. Congratulations to

Sal Abeyta who was the grand prize winner of a private catered dinner for 8 by a Desert Mountain chef. A mixed case of wine was also included. A \$500 cash prize was also awarded that night. Attendance was the only requirement and you be there to win. Carol Millen was the lucky winner. Congratulations!

Additionally, the DMCF sold 300 raffle tickets which raised \$23,000. The grand prize was a pass for a year of free cart fees, won by Bob Hatch. Please check the website for the rest of the winners at members.desertmountain.com. Click on DMCF.

Thank you to everyone who attended and bought raffle tickets. We will award the 2018 scholarships in April 2018.

HOW DESERT MOUNTAIN MEMBERS' CARE IS HELPING OUR MEMBERS

One of the programs that CARE funds is the Early Detection Program at HonorHealth

It's this simple: With cancer, early detection can save your life. Catching cancer early — before it's had a chance to spread to other organs and before symptoms surface — can make it easier to treat and cure. In turn, early detection of cancer increases your chances of survival. The best advice is to be vigilant about your health, and work with your primary care physician. Your physician can recommend appropriate screenings during your annual wellness visits, and will guide you to HonorHealth Virginia G. Piper Cancer Care Network cancer care experts if there is suspicion of cancer. If cancer is discovered, the earlier detection will be helpful, as a cancer physician plans your personalized treatment, taking into consideration the type and stage of your cancer.

How do you detect cancer early? Screening exams can aid in the early detection of many cancers, including cancers of the breast, colon, cervix, prostate, lung, skin and more. What type of cancer screening exam is right for you depends on such factors as your:

Age / Sex / Race / Personal health history / Family history.

Although guidelines suggest that you have cancer screenings at some point in your life, screening tests may be done sooner or more frequently if you have a known risk factor such as:

- A personal history of cancer.
- Two or more first-degree family members (parent or sibling) who have had cancer.
- A gene mutation linked to a specific type of cancer.

Personal story from Desert Mountain Member, Judi Edwards and how CARE has helped her and her family.

About two years ago, our daughter, who is a Nurse Practitioner at HonorHealth in Cancer Research, decided to do genetic testing to learn about her cancer risks. We have a family history of several cancers and she did this primarily for that reason, but also because this is what she is working with every day. After receiving her results, she was told she had a mutation on a gene called Chek 2. This is similar to the more widely recognized BRCA gene mutation. We then found out that our son and I had this same mutation (50/50 chance in each offspring). This mutation makes us double the general population's likelihood of getting breast cancer, and for males, there is a significant increase for prostate cancer risk. It also comes with higher risk for other cancers including colon, thyroid, kidney and lymphoma. Due to similar functions of Chek 2 mutation compared to BRCA, we are also likely at increased risk for pancreatic cancer. Therefore, all three of us are in the Pancreatic Early Detection study at HonorHealth which is being run by Dr Erkut Borazanci. The dollars from CARE

help support this study and the valuable work being done at HonorHealth in cancer research. If any of these cancers are found early, they are far more treatable and even potentially curable. Personally, as part of the Pancreatic Early Detection program, I have had two annual examinations, including blood work and tumor markers, and two annual abdominal MRIs specifically looking at the pancreas. In addition, I am also getting 3D mammograms annually due to increased breast cancer risk. My case is discussed at a multi-disciplinary Pancreatic tumor board, where multiple oncologists, GI doctors, radiologists and others carefully examine my case and my imagery to determine my current risk. I feel very positive about knowing this information and about being followed closely by Dr. Borazanci and his competent staff. And of course, I am grateful that my children, and thus their children, know this important information early on in their lives and can take proactive measures in the battle against ALL cancer.
